

Job Title: Wood Finisher/Sprayer

Job Location: Berthoud, Colorado

Compensation: \$17-\$21/Hour (Plus \$3/Hour Incentive), and Excellent Benefits

Sun Mountain Custom Doors, an industry-leading manufacturer of custom doors and other architectural millwork products, is seeking multiple Wood Finishers/Sprayers finishing beautiful custom wood doors and other architectural millwork products for luxury homes. The company's factory is located just off I-25 near Johnstown, Colorado (just south of Loveland). Day shift positions are available, working Monday through Thursday from 5:00 AM to 3:30 PM (four ten-hour days). Swing shift positions are available, working Monday through Thursday from 12:30 PM to 11:00 PM (four ten-hour days). Overtime can be frequent (but is not guaranteed), and candidates must be available to work overtime on some weekdays or Fridays (with weekends free). Experience using High Volume Low Pressure (HVLP) sprayers for painting or other surface finishing is desired. If no experience, paid training will be provided. A significant incentive bonus of up to \$3.00 per hour is also included, increasing the hourly wage above the listed range (will be discussed during interview/at hire).

Essential Duties and Responsibilities:

- Sand raw wood to prepare for glazes, stains, or other finishes.
- Use hand tools and techniques for preparing and finishing products.
- Use spray equipment including High Volume Low Pressure (HVLP) sprayers to provide fine quality finishes on wood products.
- Apply glaze coatings by hand.
- Understand instructions regarding individual orders.
- Comply with health and safety regulations and best practices.
- Handle and safely move building materials.
- Stay on schedule while maintaining quality work.
- Take direction from the supervisor.
- Work in cooperation with a small team.

Education and Experience:

- High school diploma or GED, or an equivalent combination of education and experience.
- One year of experience using HVLP sprayers or similar equipment preferred.
- Transferable skills include painting, staining, or preparing surfaces for glazes, paint, or stain.

Qualifications:

- Passion and drive to produce a quality product in a timely manner.
- Cabinetry or millwork finishing experience is preferred.
- Previous use of hand tools, including orbital sanders is preferred.
- Spray equipment knowledge a plus, including airless, air assist, HVLP or cup gun spraying.
- Handwipe glazing experience a plus.
- Attention to detail.
- Solid record of attendance.
- Reliable transportation.

- Skilled at communicating with co-workers and supervisors.
- Proven reliability and dependability.
- Flexibility, including the ability to adapt to changes in priority.

Physical Demands:

- Safety glasses must be worn at all times.
- Must have the ability to lift 75 pounds.

Benefits:

Benefits include medical, dental, vision, life insurance, short term disability insurance, 401(k) with company match, paid leave, and paid holidays.
